SPECIAL NOTICES.

How quickly the chilling blasts of winter developes the diseases peculiar to our variable climate. Neuralgia, Rhenmatism, Pain and Aching of the Bones, the offects of Mercury, Old Sores and such like off ctions, hang on us like an incubus. Many are not aware that the chief cause of most of the diseases with which mankind are afflicted proceed directly from impurity of the blood or deprayed state of the system, but such is unquestion the fact. No disease can exist when the blood is free from impurity. This desirable result of Conger & Fields' Writing Fluid, the can only be obtained by a timely resort to Carter's Spanish Mixture, which is unquestionably sortment of Gold and Steel Pens; School ter's Spanish Mixture, which is unquestionably sortment of Gold and Steel Pens; School the best remedy yet discovered to purify the Books.
